53. Paragraph 30, page 11:24-  
25 and page 12:1-3:  
“Anyone who has heard him  
speak, as I have, on trends in  
class action law knows his  
belief that these types of  
settlement which confer no  
value on class members and  
lots of cash to class counsel  
are a significant reason the  
current United States  
Supreme Court is reigning in  
all forms of class action.”
